Email 2: Internship Inquiry

Subject: Inquiry: Summer Internship Opportunity

Dear Internship Coordinator,

I am a first-year B.Tech student at VIT Bhopal University, and I am writing to formally express my interest in a summer internship opportunity with your organization.

I have been following your company's recent work in the digital sector and am eager to apply the skills I am developing in my current coursework to a professional environment. I am particularly interested in learning more about how your team approaches data analysis and cyber analysis.

I have attached my resume for your review and would welcome the opportunity to discuss how I might contribute to your team as an intern. Thank you for your time and consideration.

Best regards,

Palak Bhatla
