Task 5: Cybercrime Awareness Case Study & Prevention Guide

Prevention Checklist: - "Stay Safe Online"

Do's

- Use strong and unique passwords for different accounts
- Enable two-factor authentication (2FA) wherever possible
- Always check the website URL before entering personal details
- Use trusted and secure networks (avoid public Wi-Fi for transactions)
- Keep your apps and devices updated regularly
- Verify emails and messages before clicking any links
- Use official apps for banking and payments

Don'ts

- Do not share OTP, PIN, or passwords with anyone
- Do not click on suspicious or unknown links
- Do not download attachments from unknown sources
- Do not trust messages claiming rewards or urgent actions
- Do not save sensitive information on shared devices
- Do not ignore security warnings from browsers or apps

UPI & Financial Safety Tips

- Never approve unknown payment requests in UPI apps
- Always double-check the receiver's details before sending money
- Use UPI apps with app lock or biometric security
- Double-check payment details before confirming transactions

Report Cybercrime

- National Cyber Crime Portal: **https://cybercrime.gov.in**
- Helpline Number: 1930 (24×7)
